

ANGLICKÁ ANOTACE

Evangelization and pastoral possibilities of the Petrov centre

The text concerns the basic characteristic of evangelization and pastoral work in tourism according to the church documents. Then the theory is applied on activities and services of the church information centre called Information contact centre Petrov that was established by the Brno bishopric next to the Cathedral of Sts. Peter and Paul in Brno in August 2006.

I present the concept and aim of the centre summarised in the project Petrov – the key to the living history, the realization of this project, the services and activities of the church information tourist centre and I have tried to evaluate a year experience and draw some prospects for the future.
