### Prophecy in the Gospel according to S. Luke

This work deals with summary of a prophetic extent of a Gospel according to S. Luke. The work begins with a brief description of a prophetic phenomenon in the Old Testament, the relationship between the Old and New Testament, prophecies and prophetic structure of the Gospel according to S. Luke. In the main part the individual prophetic texts of the Gospel according to S. Luke are assorted to the following parts: 1) texts that illustrate the impletion of the Old Testament predictions, 2) the prophecies being proclaimed and also fulfilled in the Gospel according to S. Luke, 3) the prophecies being said in the Gospel according to S. Luke but Luke does not mention them being fulfilled, 4) the txts that characterize the prophetic characters. There is a short interpretation added to every text.

Fulfilled prophecy, Prophecy, Prophet, Prophetize, The Gospel according to S. Luke.
