Course of defence: The defence was opened by the committee, asking the student to present the dissertation. The student elaborated on the research aims, research design and research results in a detailed way. The committee asked the student to react to the critical comments mentioned in the reviews, and the student reacted. The committee also asked how ninja strategies already resonate in Japanese security culture, particularly in the security environment and in the military, and asked the student to reflect on the role and place of ninja philosophy in the general philosophy of warfare. The student addressed both questions. Being satisfied with the student's performance, the committee concluded the defence.
