Title: Pastoral Councils in the 2nd Prague Vicarate

The purpose of this work is research of the role of pastoral councils in the 2nd Prague Vicarate in the field of pastoral planning and activity of parishes. It tries to find the answer to question whether pastoral councils are proper bodies which help the vicar, resp. the administrator with their tasks or not. The basic data to evaluate result from the questionnaire answered by vicars and administrators whereby is apparent whether such a council works in their parish, and if so, what is the importance and range of its activities.

pastorační rada = pastoral council

farnost = parish

farář = vicar

vikariát = vicarate

farní pastorační rada = parish pastoral council
