Možnosti financování neziskové organizace v České republice

Diplomová práce

Vedoucí práce: Mgr. Petr Vrzáček

Praha 2010

Abstract

The diploma thesis describes not only the possibilities of financing of non-profit organizations in the Czech Republic but also the method of financing of foreign non-profit organizations for human rights abroad. Consequently, based on the analysis of data collected during action research, these possibilities are recommended to concrete organization being concerned with the human rights issues in the CZ. The thesis is presented as a methodology for non-profit organizations that would like to get comprehensive overview of their financing possibilities in the CZ. However, this thesis is intended for the aforementioned non-profit organization dealing with the legal and human rights issues in the CZ, and will serve as a basis for consideration of an appropriate method of financing in the future.
