

## **Abstract**

Bachelor thesis „Archduke Leopold Ferdinand of Tuscany“ treats of life career of archduke Leopold Ferdinand (1868-1935) from tuscanian stem of Habsburg-Lorraine's House, who lived since 1903 under the civil name Leopold Wölfling.

This thesis describes Leopold's childhood, adolescence and conflicts with his family. It also deals with problems of his resignation from the archducal state, especially with reasons of his decision to give up his archducal position and with the process of resignation conditions dealings. Bachelor thesis pays attention to Leopold's civil life before 1918 and to his activities after the First World War.
