

Abstract

The aim of this bachelor thesis was to create a coherent image of an inquisitor in the Czech lands during 1315-1415 in the form of a profile by gathering information from older and up-to-date literature. The work is divided into three main chapters which essentially cover the rulings of Jan Lucemburský, Karel IV. And Václav IV. There is a table with all inquisitors mentioned in the conclusion.

Key words

- Inquisition
- Heresies
- Middle Ages
- Church history
- Hussitism
