

Abstract

In my bachelor thesis “Events after 21 August 1968 in Havlíčkův Brod“ I deal with occupation of Czechoslovakia in 1968. Especially I focused on regional history of small town in Bohemian - Moravian highlands. My text based on interpretation of events in town Havlíčkův Brod from the 21st August 1968 to the end of the same year. This part my bachelor thesis starts from my study in czech archives and from conversations with about ten eyewitnesses. I work with specialized literature, contemporary press and issued memories too. In content my text I talk about some regional specifics, for example situation in Polish people army, which occupy discribing area or situation among czechoslovakian soldiers in Havlíčkův Brod. In not final point I refer to some characters in connections with describing town, for example Oldřich Švestka, Miroslav Polreich or Gertruda Sekaninová - Čakrtová.
