

**Title:** “Antimečiarismus” in Slovakia

**Author:** Markéta Kovaříková

**Department:** Departement of Central Europe studies

**Supervisor:** Mgr. Robert Pejša, PhD.

**Abstract:**

The aim of research of this work will be television and radio broadcasting and news in daily newspapers. From Tv broadcasting we will pay attention to main evening news, from radio we have on our disposition the broadcasting of RFE, and from newspapers it will be daily newspaper SME, Národná obroda and Slovenská republika. Because of these sources we can recognise the development of availability of news to the public.

We are trying to know, how distictively this social and political change had happend. It is known, that at the moment of organisation of opposition Mečiar started to do some measures to suppress it. The target will be to notice this development and describe its impacts on newspapers, television and radio.
