Keywords: The Second World War, Protectorate of Bohemia and Moravia, German written literature, Jews, Germans in Czechoslovakia, anti-Semitism, autobiography, interpretation

Abstract:

The bachelor thesis comprises the interpretation of the autobiographical novel *Ein Haus in Böhmen* from a German writing Author from Ústí nad Labem Hanna Demetz. The Analyses were centred on motives of the „coexistence“ of the three national groups (Czechs, Jews and Germans) in the days of the Protectorate of Bohemia and Moravia.
