

## Annotation

Kateřina WÁGNEROVÁ, *Municipal Book of Březnice. Edition*, Faculty of Arts of Charles University, Master's thesis, Prague 2013.

The main part of this work is focused on edition the oldest known municipal book of town Březnice from the years 1454-1630. This municipal book belongs to "libri memorabilium," so the texts of memorials in the book contain mainly market contracts, donations, accounts, list of burghers who paid town dues, testaments and the other. This edition includes editor's comment, name, local and material index, picture supplement and the chapters about municipal books, history of Březnice and development of its administration.
