Carnival processions in villages Hlinsko-Blatno, Hamry, Vortová, Studnice are part of customary tradition that is still practiced. Although the carnival processions take place all over the Czech Republic, there are almost unchanged in these villages. Because of their uniqueness have been registered on the List of Intangible Cultural Heritage of Humanity. In my dissertation I want bring more informations on these carnival processions and masks in the region Hlinecko, their current form. How can we use this custom when we work with children.
