

*Abstract:*

The main aim of this rigorous thesis is to describe and analyze current state of law of neighbour law within Act No. 40/1964 Coll., Civil Code and subsequently Act. No. 89/2012 Coll., Civil Code with perceived effectiveness to 1.1.2014. The thesis deals with possible interferences to the law of owners, mostly owners of neighbour's immovable things and protection from these interferences. Then the rigorous thesis contains excursion into regulation of neighbour law in Germany and Great Britain.
