

Summary

This work is focused on nowadays pastoral care in the Czech army.

All work is divided into two parts, theoretical and practical.

The theoretical part is interested in mission, meaning of pastoral care in the Czech army. There are also ideas of conception of pastoral care in the point of view through the specific churches representatives. Importance is given to the idea of mission of the army chaplain from their selection to their real situation inside the army.

The practical part includes research problems with specific questions aimed to the attitude to army chaplains in real situations.

Keywords

Pastoral care, army chaplains, non-combatant, ethics.
