Painting work Anton Einsle, Johann Nepomuk Ender and Leopold Bucher

The main sense bachelor work is closer acquaintance with the art pieces with us not so unappreciated artists Anton Einsle, Johann Nepomuk Ender and Leopold Bucher, which related to the person of the Emperor Ferdinand V. As this especially in Anton Einsle and Johann Nepomuk Ender on portraits, I focused on a specific iconography of images, ia depicting the soul and character of the person portrayed. For the reason that one of the paintings a historical theme (from painter Leopold Bucher), I also focused on closer approximation relations with the Czech coronation.
