

ABSTRACT

The subject of this thesis is International Commercial Arbitration. The purpose of the thesis is to describe the fields of arbitration in international trade, especially the status of arbitration in international trade, qualifications of the arbitrators, the arbitration clause and the course of international arbitration. Further, this thesis concentrates on questions relating applicable law in international commercial arbitration, the Convention on the Recognition and Enforcement of Foreign Arbitral Awards - the "New York" Convention and the UNCITRAL Model Law on International Commercial Arbitration.
