

**ABSTRACT:**

The created thesis deals with the issue of costs in civil contentious proceedings. There are explained in detail the provisions of § 137 to § 151 of the Civil Procedure Code, while there is also an explanation of the difference between the obligation to pay costs and to bear, while a significant part of the work deals mainly with the obligation to reimburse the costs. In this work there are discussed in detail individual types of costs under the illustrative list in § 137 of the Civil Procedure Code and not even the explanation of the difference between the cost of court proceedings and the costs associated with the application claims is omitted.
