

8. PŘÍLOHY

Příloha 1. – Otázky pro rozhovor

Univerzita Karlova v Praze

Questions for interview:

1. Do you think that involvement of people in political issues is **beneficial** for the city?
Why and how **yes** (Why do you think that development of civil society (inhabitants of the city are good citizens) is important in Utrecht?) / **no**?
2. Do you think that there are many **opportunities** for citizens to participate in political issues in Utrecht?
Could you name concrete **tools** of participation (for example, a citizen is bothered by a problem in Utrecht, what can he or she do with that)?
3. What would you like to **keep** and **change** in relation to how people are / are not involved in public issues in Utrecht?
4. Which **areas** / **matters** do citizens interest **the most** according to you (What do they want to talk about the most)?
5. To which areas should a resident of Utrecht **interfere** the most according to you?
And which issues should be only the matter of political representatives?
6. Do you think that an ordinary citizen of Utrecht can **change** public affairs or **solve** a public problem by getting involved in political issues in Utrecht (discussions with politicians, petitions etc.)?
7. How do you deal with **outputs** of informative meetings with citizens (I mean their complaints, remarks, questions etc.) and of initiatives of citizens in Utrecht?

Příloha 2. – Dotazník

Date: 2012

Questionnaire for citizens of Utrecht

Deepening democratic principles at the local level

Civic participation in Utrecht

(Questionnaire)

Dear respondent,

this questionnaire is a part of a research done by Kristýna Blahetová, a university student from the Czech Republic. I would like to introduce you the topic of this research – I am interested in the civic participation, in different words in the activity of citizens in political issues in Utrecht. This questionnaire is used only for the study purposes and the results will be part of my thesis, which will be presented at the Charles University in Prague in 2013. Hereby I would like to ask you to fill in this questionnaire; it will not take more than 15 minutes of your time. I can assure you, that anonymity is guaranteed.
