

## **Abstract**

The story of Joseph.

The story of Joseph of Egypt deals with many theologians and historians, both in terms of the historical-critical approach to the biblical text or a story behind historical events.

From the character of Joseph is based on one of the twelve tribes of Israel, whom blessing him and his brothers by his father Jacob of Egypt.

Study of the biblical text is mainly based on books Claus Westermann: *Joseph*, along with and attempt at a more historical context, with God's action revealed and cocealed, on tests, suffering, and forgiveness.

The aim is to link different approaches-biblical and historical figure of Joseph of Egypt.
