Other notes

1. I like the structure of the thesis.
2. The chapter about the wedding party is not very exhaustive.
3. English language is getting worse in the Conclusion and Summary.
4. Final summary is more summary of the thoughts of the author than the summary of thesis.
5. Some of the photos are not of good quality and proportions.
6. The list of bibliography is not correct.

Questions for discussion

1. Have you ever participated at the wedding ceremony as a musician and could you describe it?
2. How Cypriot wedding looks nowadays? Do young people follow all the traditions?

Overall assesment of the thesis

The theme of the thesis is very interesting for the readers from the Central Europe. I appreciate the quite narrowly selected topic and its treatment.

I recommend the thesis for the aural defence.
