

## Errata – diploma thesis

MUDr. Viktor Černý

BIODEGRADABLE HIGH MOLECULAR WEIGHT POLYMERIC CONJUGATES FOR EFFICIENT DELIVERY OF CYTOSTATIC DRUGS INTO SOLID TUMORS

**Page 6, line 4:**

Incorrect: specific BH3-mimetic

Correct: specific BH3-mimetic small molecule inhibitor of Bcl-2 family proteins

**Page 6, line 11:**

Incorrect: cluster of Differentiation

Correct: cluster of differentiation

**Page 15, line 21:**

Incorrect: systems

Correct: system

**Page 15, line 34:**

Incorrect: Indoleamine 2,3-dioxygenase

Correct: indoleamine 2,3-dioxygenase

**Page 20, line 11:**

Incorrect: surrounding of the tissue

Correct: surrounding tissue

**Page 20, line 14:**

Incorrect: biological therapy

Correct: molecular target- specific therapy

**Page 20, line 23:**

Incorrect: metastasis

Correct: metastases

**Page 22, line 20:**

Incorrect: components and functions,

Correct: components and functions of the immune system,

**Page 29, line 32:**

Incorrect: the inclusion biodegradable bonds

Correct: the inclusion of biodegradable bonds

**Page 31, line 5:**

Incorrect: conjugates DOX

Correct: conjugates of DOX

**Page 31, line 15:**

Incorrect: very side toxicity

Correct: very little side toxicity

**Page 33, line 2:**

Incorrect: laboratory screening large

Correct: laboratory screening of large

**Page 46, line 4:**

Incorrect: tumor cell growth

Correct: tumor cell proliferation

**Page 58, line 4:**

Incorrect: B-956 derivative, was prepared

Correct: B-956 derivative was prepared

**Page 65, Table 7 and Table 8:**

Incorrect: minor flaws of layout and design

Correct: moved the description of Table 7, unified the thickness of lines in Table 8

**Page 77, line 4:**

Incorrect: chemotherapeutic drugs with to support and supplement them

Correct: chemotherapeutic drugs with the ability to support and supplement them

**Page 77, line 25:**

Incorrect: as well in

Correct: as well as

**Page 79, line 13:**

Incorrect: consequent issues hampered further *in vivo* testing

Correct: consequent issues which hampered further *in vivo* testing

**Page 81, line 29:**

Incorrect: see Fig V.2 – 6

Correct: see Figs V.2 – 6

**Pages 82 – 83:**

Incorrect: paragraph numbers start at 5 and end at 8

Correct: paragraph numbers start at 1 and end at 4

**Page 83, lines 28-30:**

Incorrect: We also prepared and analyzed histological samples of the following organs from mice parenterally treated with B-967/3.

Correct: We also prepared and analyzed histological samples of selected organs from mice parenterally treated with B-967/3 with the following results:
