

Abstract

The aim of the submitted thesis is to bring a new adjustment of edition of a short story collection by Růžena Jesenská called *Out of world*. This thesis includes, next to the edition of the collection, a complete note of edition and explanatory notes. It is dealing with period response to the collection *Mimo svět* and it also brings a short summary of Růžena Jesenská's life and work and last but not least a more detailed reflection of the collection mentioned above.
